EDUCATION

Doctor of Education in Teacher Leadership, Walden University, Minneapolis, Minnesota, 2012.

Doctoral Study: Raising Awareness Regarding American Indian Issues in Physical Education
Preservice Teacher Training.

Master of Science in Physical Education, Western Illinois University, Macomb, Illinois, 1979.

Bachelor of Science in Business Administration, University of Wisconsin, Green Bay, Wisconsin, 1977.

TEACHING EXPERIENCE

University of Wisconsin, Madison, Wisconsin 1996-Present

Kinesiology Faculty Associate (2012-Present), Associate Faculty Associate (2005-2012), Assistant Faculty Associate (1996-2005)

- Instructed courses in the Undergraduate Program
 - Socio-Cultural Aspects of Physical Activity
 - Taught philosophy, history, and sociology and how these have influenced physical activity participation and programming.
 - Health and Physical Education in a Multicultural Society
 - Educated students on aspects of diversity and culture, concepts of culturally responsive teaching, and the Act 31 requirement, and their application to teaching health and physical education.
 - Assessment and Research in Physical Activity Pedagogy
 - Taught assessment in three domains, research, and statistics, and mentored students regarding their research projects.
 - Foundations of Physical Education
 - Introduced physical education teacher education students to the physical education teaching profession, movement education, and the exercise and movement sciences.
 - First Aid and Basic Life Support
 - Certified students in Responding to Emergencies and Basic Life Support for Health Care Providers.
 - Methods of Teaching Invasion, Striking/Fielding, and Target Sports
 - Trained students in planning and teaching invasion, striking/fielding, and target sports, and assessing students.
 - Physical education activity courses including basketball, bowling, soccer, softball, team handball, volleyball, and weight training
 - Instructed students with ability levels ranging from beginner to advanced.
 - Labs in motor development and motor learning and performance
 - Assisted students in understanding concepts presented in lecture.
- Taught Introduction to Culture and Obesity, Cultural Influences of Obesity, and Obesity Bias to students in the Global Health Certificate's Obesity and Health in Austria course. Introduced students to a cultural perspective of obesity.
- Organized and taught Introduction to U.S. Sport and Sociological Aspects of Coaching to visiting Chinese athletes from Beijing Sport University. Utilized a variety of formats to educate students.

University of Wisconsin (continued)

- Advised physical education teacher education students regarding class schedules and requirements for program admission and graduation. Solved registration problems for students, answered students' questions, and coordinated the application process with the School of Education.
- Coordinated the multicultural field experience for physical education teacher education students. Facilitated an online discussion to foster students' reflection of their perceptions of the individuals with whom they were working.
- Served as the Team Sports Coordinator and Risk Management Co-Coordinator for the Physical Education Activity Program. Supervised and mentored team sports instructors, developed course materials, and revised assessment and grading procedures. Recertified instructors in CPR/AED and trained instructors in first aid and risk management procedures.

Triton College, River Grove, Illinois 1994-1996

Health and Physical Education Instructor

- Instructed Total Fitness and staffed the fitness center providing instruction and assistance to facility users in the areas of exercise programming, equipment operation, and maintaining a healthy lifestyle.
- Taught First Aid and CPR.

Life Support Systems, Inc., Lake Zurich, Illinois, 1994-1996

Basic Life Support Instructor/Trainer

- Conducted courses to train individuals to become CPR instructors.
- Mentored new instructors and provided feedback following their teaching assignments.
- Taught courses in adult, child, and infant CPR and first aid.
- Reorganized the Child/Infant CPR and Safety course to better meet students' needs.
- Chosen to teach a course designed specifically for a new client.
- Selected as Instructor of the Year for 1995.

South Suburban College, South Holland, Illinois 1993-1996

Physical Education and Health Instructor

- Instructed Health and Wellness as a self-assessment for students to evaluate the wellness of their own lives.
- Taught Fitness which included computer assisted testing and helped students develop a personal exercise program.

Carthage College, Kenosha, Wisconsin 1990-1992

Physical Education Instructor

- Instructed professional courses including Elementary Methods/Principles of Movement, Team and Individual Sports, and Theory and Practice of Coaching Baseball/Softball.
- Revised course content in Concepts of Physical Fitness to include lecture on fitness components and wellness, laboratory testing, and the development of an individualized exercise program.
