Supervision of Clinical Work at UW-Madison

**Provision of Supervision at the
Counseling Psychology Training Clinic**

8/2014 – 5/2016

I was the on-site licensed psychologist and supervisor for one clinic night per week. Provided individual clinical supervision to 7 masters and doctoral students (1 hr. per week of individual clinical supervision for each student in addition to administration [feedback on notes and watching video-recordings of sessions]). Provided one hour of group supervision on the night I was on-site at the clinic.

Provision of Supervision to students in the Pre-Practicum course (CP 806).

1/2015 – 5/2015

Provided individual supervision (above and beyond class duties, due to low staffing in the department) to masters and doctoral students for the CP 806 course in the Spring of 2015.

SERVICE ACTIVITIES

PUBLIC SERVICE (From 2014- current)

Wisconsin Transgender Health Coalition (WTHC)

5/2015-current

I have been involved in the organization since its inception. I have mainly been involved in the “data and dissemination” team, where I provide my expertise as researcher helping community members establish their own research projects and write grants to support personnel within the coalition. As a part of this team, I have given presentations to community members about population-based data within Wisconsin that can influence access to more medical and mental health care. I have also assisted team members with creating surveys and recruiting individuals to be a part of a Wisconsin needs assessment of transgender youth. We meet once per month to focus on the larger data team and have smaller meetings throughout the month to focus on community outreach and training to disseminate research in a fashion that is most helpful for individuals who are not involved in academia.

Co-Coordinator and Co-Chair for the Transgender and Gender Expansive Youth Conference

2/2016-current

Attend meetings for an ongoing planning committee to coordinate semi-annual conferences about the concerns of transgender youth. Helped develop an agenda for the conferences, planned speakers, coordinated a budget, and decided on special topics for the conference. Introduce the keynote speaker at the conference and provide project management during the day of the conference. Provided three one-hour long sessions to educate teachers, school staff, mental health professionals, and community members.

Pro-Bono Psychotherapy

8/2015 - current

Provided 1.5 hours of pro-bono weekly group psychotherapy to transgender and gender

expansive youth at the Counseling Psychology Training Clinic from 2015-2016. Provided group therapy training to a doctoral student to conduct co-therapy with me as part of the group. Provided individual therapy to clients at the CPTC from Spring 2021-current.
